

Trimester One: Reading Genre Assignment

Throughout the year, you will be expected to be reading a book of your choice all the time. One (actually, two) of our standards are about reading a variety of things. So, a few times a trimester, you will need to select items from different genres, write about them in your reading journal, and record them here. This will count as a score for that standard and as a work ethic grade. To earn a 4, you need to read four books of different genres, including one non-fiction. For a 3, three books in different genres, including one non-fiction. For a 2, read books in two different genres. No lower grade is acceptable. You will turn in this sheet, all filled out, by the date requested each term.

Some genres include:

(Fiction) Realistic fiction Fantasy Science fiction Historical fiction Graphic novels Animal fiction	(Fiction) Adventure Mystery Suspense Sports Dystopia Humor Horror	(Non-fiction) Biography Literary non-fiction History Science Religion Technology Culture
